Stunning Mill Creek daylight rambler offering elevated, open living with beautiful, engineered hardwoods, smart LED lighting, and upgraded electrical throughout. The designer kitchen features custom storage and premium appliances. Spa-inspired bathrooms include heated floors, rain showers, floating vanities, while the primary suite offers a walk-through closet and luxurious finishes. Major upgrades include new insulation, heat pump, air handler, tankless water heater, and leaf-guard gutters with lifetime warranty. Outdoor highlights include a sun-filled deck, stonework, yard lighting, and garden shed. Conveniently located near Mill Creek Town Center, trails, parks, golf, tennis, swimming, sports complex, and top-rated schools.
